

WEST TWIN CITIES DATA CENTER

7700 France Ave South - Edina, MN

Located in an office park setting in the Technology Business District within Edina, MN, DataBank's West Twin Cities data center includes more than 16,000 square feet of raised flooring for customer equipment. MSP1 is served by 5MW of power from diverse feeds and backed-up by dedicated diesel-powered backup generators. A redundant cooling system ensures continuous operation for the wide variety of state and local businesses that rely on DataBank for data center services. The site offers network-neutral fiber connectivity to multiple service providers and is monitored by on-site security personnel 24x7x365.
