

# DOWNTOWN PITTSBURGH DATA CENTER

100 S Commons – Pittsburgh, PA

Located inside NOVA Place, the newly renovated Allegheny Technology Center Mall, DataBank's Downtown Pittsburgh data center offers a technology business center setting with robust connectivity to a variety of top-tier carriers and network providers. The facility has 25,000 square feet of raised-floor space for customer equipment with power density up to 30kW per cabinet, and has redundant cooling and power backed by onsite generators, fuel power density and water storage. This key strategic location offers direct access to more than two dozen fiber carriers, making it the most connected data center location in the Pittsburgh metropolitan area and the premier facility for the region's growing demand for technology- and research-driven high-performance computing.
