Westway Park II Data Center

5170 Westway Park Blvd Houston, TX 77041

DataBank's HOU2 data center is located on our Westway Park Campus, 20 mins west of downtown Houston, just off Beltway 8 between I-10 and 290. This prime location ensures easy accessibility for clients and optimal connectivity, essential for high-performance data operations. With its robust infrastructure and strategic placement, DataBank's HOU2 data center offers unparalleled reliability and efficiency for businesses seeking top-tier hosting solutions in the heart of Houston's tech hub.

DATABANK
Data Center Evolved™

Why DataBank?

DATA CENTER EVOLVED™

- The largest footprint of metros and data centers in the U.S. capable of putting your workloads within 50 miles of half the population.

- Colocation, interconnection and cloud services with contract portability to help you avoid lock-in to any one strategy.

- Managed security and compliance services that liberate your staff and secure your data and applications.

- 100% uptime guarantee, hands-on support, and a Portal that gives you unmatched visibility and control of your infrastructure.

Local Service. Boundless Reach.

Our **65+ data centers** are strategically located in **27+ markets** that offer high population densities as well as a concentration of technology business and research universities.

EACH DATABANK FACILITY FEATURES:

- Robust connectivity
- Highly redundant infrastructure
- Priority power grid access
- Strong structural security
- Secondary carrier hotel option
